## Punter shaker as McDonald's runs out of milkshakes

MCDONALD'S says it has run out of milkshakes at its restaurants in England, Scotland and Wales.

The fast-food chain said some supply chain issues had affected availability of a small number of menu items.

These products also include some bottled drinks, which are temporarily unavailable in its 1,250 outlets in England, Scotland and Wales.

The problems emerged because of low stock distribution caused by the continuing shortage of HGV drivers.

Firms from a number of sectors in the UK have been battling with a supply chain crisis due to a shortage of lorry drivers.

Earlier this month, a survey by the Road Haulage Association estimated there was a shortage of more than 100,000 drivers in the UK.

## Weekly COVID deaths highest since March

ENGLAND and Wales recorded the highest number of weekly coronavirus-related deaths since March, according to the Office for National Statistics.

There were 571 deaths that mentioned COVID-19 on the death certificate in the week to August 13.

It is an 8% increase on the previous seven days.

It is also the highest total since 719 deaths in the week to March 26.

Some 57 care home resident deaths involving COVID were registered in the week to August 13, up from 50 the previous week.

**WITH the western powers humiliated by the chaotic withdrawal from Afghanistan, the enemies of freedom are linking up in a new Axis of Evil.**

Three of the West's biggest adversaries – China, Iran and Russia – plan to hold naval exercises in the Persian Gulf either later this year or early next year, the Russian ambassador to Iran said.

Levan Dzagharyan said the drills are to "practice actions to ensure the safety of international shipping and the fight against sea pirates."

But it's clear the three states, all of whom want to destroy liberty and enslave the world, are flexing their collective muscles to threaten the West.

They held the first of their joint exercises, which Dzagharyan called "CHIRU", in 2019.

Separately, Iran and Russia held a joint naval drill in the northern Indian Ocean in February.

Moscow's man in Tehran noted that he expected the exercise to be an annual event among the three nations.

The news comes as the US struggles to complete its withdrawal from Afghanistan, reconquered by the Taliban Islamic fundamentalist group.

## Record number of migrants cross Channel in single day

MORE than 800 migrants crossed the English Channel to the UK on Saturday, setting a new record for crossings in a single day.

The Home Office said nearly 200 people making the trip were also stopped by the French authorities.

Around 12,500 people have made the journey so far this year.

Officials say there are safe and legal routes for migrants and they are working with international partners to tackle the "dangerous crossings".

The Home Office said the UK authorities rescued or intercepted 828 people in 30 small boats on Saturday, while the French prevented 193 people in 10 boats from reaching Britain.

It said there were no arrivals on Sunday or Monday.

The previous highest number of migrants to cross the Channel in one day was on August 12, when 592 people made the journey.

Dan O'Mahoney, Clandestine Channel Threat Commander, said: "These dangerous crossings from safe EU countries are completely unnecessary and we are determined to take down the evil criminal gangs behind them."

## Two arrested after three die in M25 smash

THREE people have died and two drivers have been arrested after a serious collision involving a lorry, a minibus and a car on the M25 in Essex.

A fourth person is in hospital with life-threatening injuries after the crash near Waltham Abbey around 6.15pm on Monday that caused lengthy traffic delays.

Essex Police said in a statement the collision occurred between junctions 27 and 26 of the anti-clockwise carriageway, with two drivers arrested on suspicion of causing death and serious injury by dangerous driving.

The M25 was closed between the junctions for 11 hours.

Police said they were eager to trace the movements of all three vehicles – a Ford Mondeo, a minibus and a lorry – leading up to the collision.

## ECO-GROUP BRING OUT THE BIG GUNS

BUSTIN' TO MAKE A POINT: Laura's protest is chest amazing

# Ok, NOW we're listening!

NEVER mind blowing whistles or playing dead on the street...

If you want to get your message across, bring out a MASSIVE pair of knickers!

A busty blonde, named online as 31-year-old Laura Amherst of Brighton, whipped out her whoppers as she joined Extinction Rebellion protesters in London on Monday.

Her teat-ends covered in XR stickers, she said: "It's to raise awareness of how important it is to take the climate crisis seriously. "People don't take it seriously and we really need to cut our emissions, we really need to take individual action."

Police began making mass arrests on Monday evening after London's West End was paralysed for hours by Extinction Rebellion protesters who

had erected a giant pink table in the middle of the road.

Officers finally moved in after demonstrators ignored repeated demands, made by loudspeaker, for them to leave the area.

Until they began making mass arrests at 8pm, the Metropolitan police had detained just eight people, despite the fact that the protest began at midday.

By 10.15pm on Monday, the police said the number of arrests had increased to 52.

The Met had promised to take a harsher approach after previous Extinction Rebellion demonstrations paralysed the capital.

An onlooker said: "I don't know much about polar bears and the like, but if birds as fit as her start getting their tits out, I'm listening."

## HOW do you replace the hottest MILF in the world?

That's what bosses at *Sex and the City* had to ponder as they sought a replacement for Kim Cattrall in the line-up for the show's reboot.

But they've done it with gorgeous Nicole Ari Parker.

Nicole, known for starring in the acclaimed series *Empire* as well as the movie *Boogie Nights*, will reportedly replace Kim, 65, as the fourth member of the New York friends' group.

Nicole, 50, will play Carrie Bradshaw's new bossie, Lisa Todd Wexley. Appropriately enough for a sexy show, Nicole is no stranger to X-rated scenes.

As well as baring her boobs in *Boogie Nights*, she's also stripped for lesbo romps in movies *The Incredibly True Adventure of Two Girls in Love* and *Mute Love*.

The reboot will be titled *And Just Like That...* and will be executive produced by three of the original show's four main stars: Sarah Jessica Parker, Kristin Davis and

Cynthia Nixon, as well as writer Michael Patrick King.

Even during *Sex and the City*'s peak, there were rumours of friction between cast members. Two years ago, Kim Cattrall made it clear she felt her association with the series was over.

She said: "I went past the finish line playing Samantha Jones because I loved *Sex and the City*."

"It was a blessing in so many ways but after the second movie I'd had enough."

"I couldn't understand why they wouldn't just replace me with another actress instead of wasting time bullying."

## WOMAN WETS PUSSY

A WOMAN has been arrested after allegedly tossing a caged cat into a RIVER during a fight with her ex-boyfriend.

Christa Thistle, 53, is accused of throwing the cat, which was in a crate, in the river at a campsite after feuding with her ex over him not moving out of their mobile home quick enough.

The man jumped into the river and rescued the cat, named Stanley, who was submerged for nearly a minute.

Cops in Oak Hill, Florida, charged Thistle with animal cruelty and assault.

## Parky 'sorry' he lost temper in Meg TV chat

SIR Michael Parkinson has apologised to Meg Ryan over their sour 2003 interview.

The chat show king, 86, had a frosty one-on-one with the Hollywood actress, 59, while she was promoting the poorly received erotic thriller *In The Cut*.

Ryan sat stony-faced, delivering one-word answers after allegedly being rude to her fellow guests on the show, the fashion double act Trinny and Susannah.

The star snapped to the host: "Wrap it up."

The interview was one of Sir Michael's most memorable for all the wrong reasons.

But speaking to the *Radio Times*, he said: "I wish I hadn't lost my temper with Meg Ryan. I wish I'd dealt with it in a more courteous manner."

"I was quite obviously angry with her and it's not my business to be angry towards the guests."

"I came across as kind of pompous and I could have done better."

**IF you've got a bird like this waiting at home, would YOU do the dirty on her?**

Model Amber Rose aired the dirty laundry between herself and her boyfriend of nearly three years, Alexander "AE" Edwards, claiming the record company man has cheated on her with at least 12 women.

"I'm tired of getting cheated on and being embarrassed behind the scenes," she wrote in a series of Instagram Stories.

"All 12 of y'all bums (The ones that I know of there's probably more) can have him. Y'all very much knew he was in a relationship with a baby and y'all decided to f-k him anyway."

The Slutwalk founder said she won't name the women who allegedly slept with Edwards but added: "Y'all know who you are."

"As for him. The lack of loyalty and the disrespect is ridiculous and I'm done," she went on, revealing the couple have split.

Rose and Edwards had been together since September 2018 and are parents to Rose's younger son, Slash Electric.

"AE" didn't even bother to deny it, saying: "I woke up to this shit, man. I thought, 'Shit, I got caught'."

"I got caught before, you know what I'm saying? And she's just had enough, obviously."

The music executive added: "That's me. I like women."

## Katie assault suspect is out on police bail

A MAN arrested after Katie Price was injured in an alleged attack has been released on police bail.

The former glamour model was taken to hospital after she sustained a facial injury in the early hours of Monday in Little Canfield in Essex.

An police spokesman said officers were called to the scene by the ambulance service and a man was arrested "a short time later" on suspicion of assault.

They added: "A 32-year-old man arrested on suspicion of assault, theft and coercive and controlling behaviour has been released on bail until September 20."

Katie (above), 43, was reportedly discharged from hospital on Monday.

The mother-of-five said in a statement: "I've got a big bruise, my face is all puffy, and I went to hospital. I'm still all dazed. I'm devastated."

"I've told police that I was assaulted, and am in shock."

## Nursing home sex act man wore clown mask and women's undies

POLICE are hunting a man wearing women's underwear and a clown mask who exposed himself at a nursing home.

Officers were called to Willowbank Nursing Home in Burnley, Lancs, just after 5am.

The man, who was dressed in women's underwear and wore a clown mask, was seen standing at the window performing a sex act on himself.

Police quickly flooded the area after staff at the home raised the alarm, but the man had already made off and remains at large.

Detective Inspector Mark Saunders, of Burnley CID, said: "This was an extremely distressing incident and we are doing all we can to identify and arrest the offender."

# League of Gentlemen comes to London police station as flasher tells cop...

# YOU'RE MY WIFE!

SCARY: Al Fadhly (far right) acted like sinister Papa Lazarou (right)

**A FLASHER who believes he is controlled by spirits exposed himself to a woman days after he rubbed his groin against a desk at a police station.**

Faisal Al Fadhly, 42, exposed himself in Westminster a fortnight after he tried to grope a female cop at Charing Cross police station.

During that incident he acted like the sinister *League of Gentlemen* character Papa Lazarou by stating "You're my wife!"

The police officer told Westminster Magistrates Court: "He was put in a marked police van and he was taken to Charing Cross police station."

"In the van he was very strange towards me and was staring like his eyes were burning into me."

"He was shouting 'You're my wife', screaming at me, grinding his teeth and looking me up and down."

At the station, the officer recalled: "I could hear the custody sergeant walking down the ramp, as I heard the door click I turned my head to the left and he lunged towards me but downwards."

## Crotch

"Out of the corner of my eye I saw his head close to my crotch."

She said she was "frightened" of what might have happened.

"His handcuffs were behind him and he was tapping his bum and saying 'touch me now', she said."

"I assumed he meant touching him in an inappropriate manner."

At the custody desk, Al Fadhly jumped backwards in the direction of the officer with his hands cupped as if he was trying to grab her crotch, making her feel "sick".

He then rubbed his

penis along the custody desk and shouted 'I want it hard, I want to get it out'.

The custody sergeant responded: "That stays in your trousers while you're here."

He was put into a cell and lunged towards the crotch of a custody nurse who went to assess him.

The nurse said: "It made me feel very uncomfortable, very unsafe, I just didn't feel very safe in his presence."

Al Fadhly said: "I didn't mean to do this at all, I didn't have any sexual interests, I was acting out of my control."

"I was under the influence of Valium."

"There is a spirit who talks on behalf of me, he tries to control me, it's not myself."

"What I am sure of is that I didn't touch her. I never hurt her, I never do anything wrong."

Al Fadhly, of Kensal Town, west London, admitted exposure.

He denied but was convicted of indecent attempted sexual assault on the police officer and common assault on the custody nurse.

He was also convicted of indecent behaviour at a police station and criminal damage.

He will be sentenced on September 13.

## DRINK RED WINE... IT'S BLOODY GOOD FOR YOU!

A FEW glasses of red wine a week can help avoid high blood pressure, according to a new study.

Researchers from Queen's University in Belfast and Germany's Kiel University have found a link between lower blood pressure and a higher intake of foods rich in flavonoids, such as berries, apples, tea and red wine.

The study team said this was the first time data has explained flavonoids' link to lowering blood pressure.

Moderation is key. The study of more than 900 adults in Germany

found some three glasses of red wine per week was the required dose for achieving the desired result on blood pressure, while 80 grams of berries a day was also found to be beneficial.

# Library gifted 'porn' comic to kids in free bag

A LIBRARY apologised for accidentally putting a "pornographic" comic book in a free giveaway bag to families.

The Farmingdale Public Library on Long Island, New York, gave it out during the annual Free Comic Book Day.

"It was a mistake. It slipped through," library director Debbie Podolski said.

The cover of the comic, "Tales of a Grown-Up Nothing", shows a teenage girl skateboarding and makes no allusion to the pornographic material inside.

It features pictures of people in various sexual positions and one woman using a sex toy.

It also has a picture of a man appearing to kill a police officer with the words "The Antifa Super-Soldier Cookbook" above it.

After one shocked father made the library aware of the comic book, the library later removed two other questionable titles.

# Naked man floating on river log sang 'God Bless the USA'

A MAN was arrested after he jumped in a river NAKED, hopped on a log and floated along while singing the song "God Bless the USA".

Someone called cops and said a naked man was clinging to a log in a river about 70 miles east of Knoxville, Tennessee.

Officers tossed a rope to Troy Hunt, 52, from bridges as he went by, but he refused to grab it.

Worried that he might go over a DAM up ahead, police tracked him from a helicopter.

Hunt was in the river for about 10 miles before cops finally pulled him out at a boat ramp in the middle of a public park.

They think he may have been drinking.

Hunt is facing charges for indecent exposure and disorderly conduct.

He also had some outstanding warrants.

## Trainee medics demand right to sell sex to fund studies

**MEDICAL** students are demanding the right to work as **HOOKERS** to fund their studies.

The trainee doctors have called for the British Medical Association to work with universities to 'recognise' and 'support' students working in the sex industry.

In a motion to be debated at the BMA's annual conference next month, the trade union's student wing say the pandemic has 'forced student sex workers into more risky situations'.

Consequently, they are calling on the body to 'lobby the General Medical Council and Medical Schools Council to ensure medical students engaging with sex work, of whatever form, to support their studies aren't penalised for this and are safe from expulsion and professional proceedings'.

In 2012, leading medical journal the BMJ published research that found one in 10 students knew a fellow medic who had engaged in erotic dancing, prostitution or escort work to fund their course.

Some 93 per cent said

By **SUZIE SHELDON**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

they believed money was the prime motivation for it as fees, without living costs, are now £9,250 a year and the course is a minimum of five years.

The English Collective of Prostitutes said they had seen the number of students contacting them for support rise by a third in the last year.

Spokesperson Laura Watson welcomed the BMA motion, adding: "This is undoubtedly related to the costs of medical school, but also speaks to the scarcity of part-time jobs that students might, in the

past, have used to supplement their income. "Student sex workers should be supported and helped with financial alternatives, not penalised or kicked off their course."

But BMA member Dr Angela Dixon said she would vote against it, adding: "Being a sex worker is more of an accepted thing in universities because of all the 'wokery' that's been pushing this."

"This motion seeks to normalise sex work and say this is an okay thing for women to do."

"We should not be encouraging students to get involved in sex work at all."

## Hacker nicked uni girls' nude photos

A MAN who stole dozens of nude photos from college students has been jailed for three years.

Nicholas Faber, 25, was also sentenced to three years of supervised release on completion of his sentence and ordered to pay over £20,000 in restitution to the State University of New York.

He pleaded guilty to charges of computer fraud and aggravated identity theft.

Between 2017 and 2019, Faber and Michael Fish illegally accessed the email and social media accounts of dozens of women students at SUNY, going on to steal nude photos and videos they later traded online.

Fish will be sentenced in November after pleading guilty to aggravated identity theft, computer hacking and child pornography.

**SAY what you like about Anna Friel, she's a fan of good clean fun.**

In the trailer for her new film *Charming The Hearts Of Men*, 45-year-old Anna strips naked for a steamy bath scene as she unwinds with a glass of booze.

Her character, Grace Gordon, has co-star Kelsey Grammer literally eating out of the palm of her hand during an intimate dinner.

But the bath scene is the real-eye grabber, as Anna unwinds in the hot water with just bubbles helping to maintain her modesty.

## Glorious

Anna's not always been so shy and retiring though.

Because a look at her back catalogue shows she's done LOADS of bath scenes.

And often as not, those bubbles don't hide the Rochdale-born beauty's glorious busters.

One fan said: "I've loved Anna ever since that lesbian kiss on *Brookside*, during which I almost suffered a burst bellend."

## Naked riders' rental bikes 'wiped clean'

COUNCIL bosses have reassured locals that public rental bicycles used in a recent naked bike ride have been wiped clean of fanny batter and skidmarks.

Brighton and Hove council has insisted that bikes borrowed for the city's Naked Bike Ride were cleaned "appropriately".

Hundreds of eager nude cyclists saddled up and rode through Brighton earlier this month as part of the Naked Bike Ride.

The cyclists decorated their bikes during the protest ride and rode around the seaside town, joined by clothed officers from Sussex Police.

But residents were a little concerned after seeing naked bodies on rented bikes.

Conservative transport spokesman Robert Nemeth said: "I was a little surprised to see keen cyclists using public bikes in the Naked Bike Ride this year."

"It would probably be advisable to bring strong wipes if using these bikes over the next few days."

## Truck driver tried to smuggle drug as COVID vaccine

A MAN has been sentenced to more than 10 years in the slammer for trying to smuggle 88 pounds of amphetamine disguised as a shipment of COVID-19 vaccines.

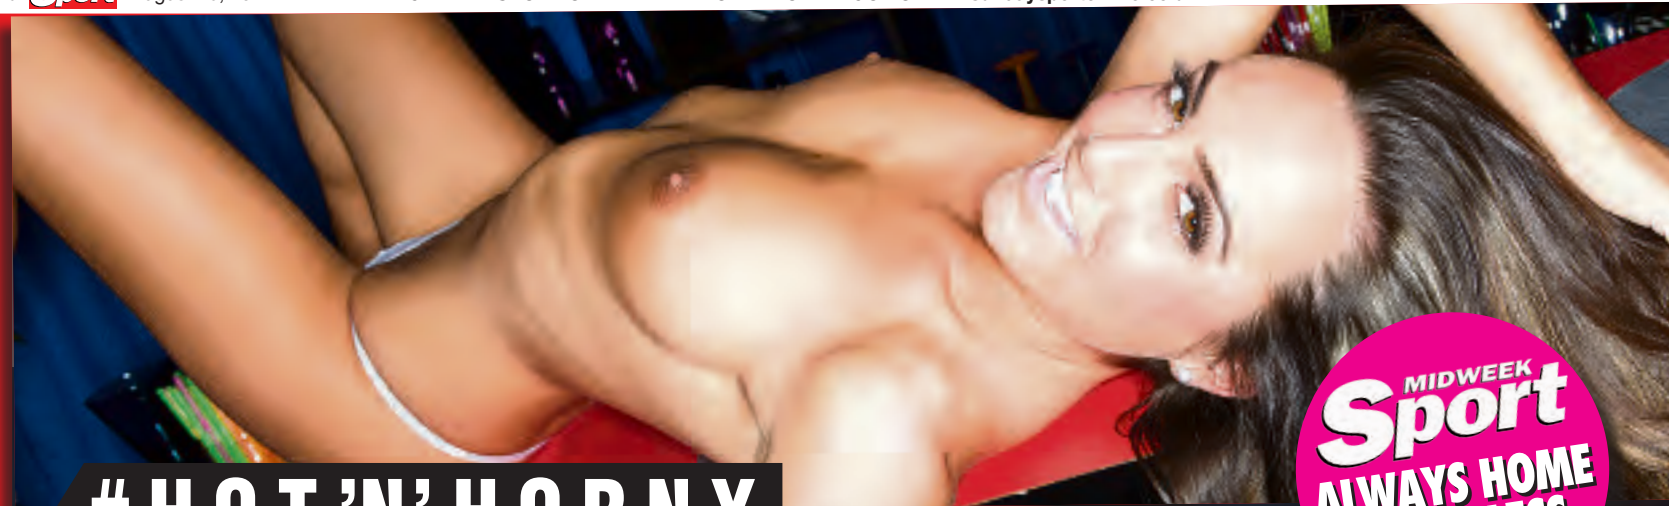

The 50-year-old Polish man, who has not been identified, was stopped by customs officials shortly after he arrived in Norway from Denmark by ferry.

He covered his van with magnetic stickers bearing the logo of BioNTech, one of the developers of the Pfizer jab, and also placed a folder featuring the logo on the dashboard.

Officials discovered the massive stash of amphetamine, also known as speed, hidden in the vehicle's roof.

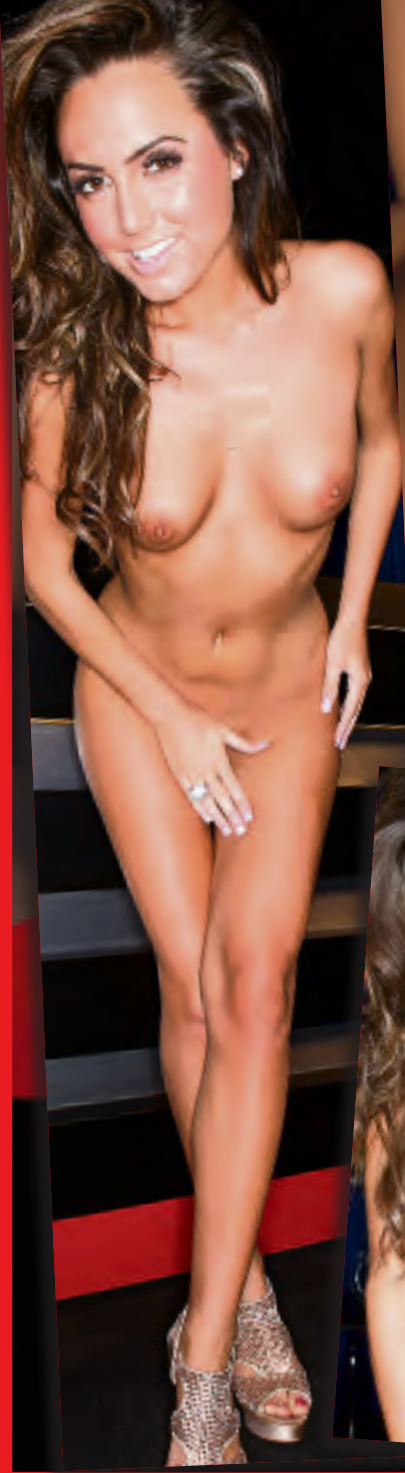

The Vestfold District Court said the man, a truck driver who works in Germany, had been offered about £17,000 to smuggle the drug by people he feared.

# COUPLE LURED TEEN LAD FOR A THREESOME

**GUILTY:** Jones told cops she shagged the teen

**Trouble flares after wife shags boy behind her hubby's back**

**A SEX-CRAZED couple tried to recruit a 15-year-old lad for a threeway sex session.**

But the teenager was not keen when Adreanna Jones explained that as well as plunging his cock into her wet minge, he'd also be expected to bum her husband, Dylan O'Gara-Smith.

Undeterred, Adreanna invited the boy for sex while her hubby was not at home.

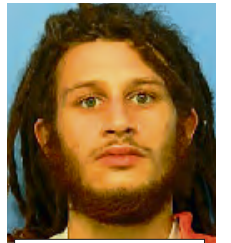

The 22-year-old dreadlocked beauty sucked the lad's penis, spread her legs and begged him to penetrate her vagina and even talked him into taboo anal sex, which she told the youth was her "favourite".

But when O'Gara-Smith found out he'd been left out of his wife's romps, he hit the roof and went in search of the lad in Waterville, Washington state, which led to his wife's sex arrest.

Last week Jones pleaded guilty to reduced charges and earned a suspended jail sentence after admitting shagging with the 15-year-old.

She must register as a sex offender and spend seven days in custody, and if she violates a two-year probation, she could be ordered back to jail for a year.

**JAILED: O'Gara-Smith**

She was first charged with third-degree child rape, but she entered a plea agreement with prosecutors to charges of sexual assault and immoral communication with a minor.

## Youth

Jones admitted to cops to having sex with the victim in October 2019, while the youth visited the couple's house.

She and her husband, now 23, had met the boy over the summer, and O'Gara-Smith had tried to recruit him in August 2019 to have sex with himself and his wife.

O'Gara-Smith was

not present when Jones sexually assaulted the boy at their home two months later.

When he learned of it later, O'Gara-Smith phoned the victim, made threats to harm him, and walked the streets looking for him while armed with a shotgun.

Details of the attempt to recruit the boy for sex came to light after cops nicked O'Gara-Smith on counts of harassment and firearms violations.

He pleaded guilty in July to a string of charges and was handed 16 months in prison.

And Megan Barton Hanson was at it again last week as she slipped into a racy swimsuit for sizzling new Instagram snaps.

The *Love Island* star, 27, looked amazing as she displayed her hot physique while soaking up the sun.

Megan looked in her element as she sipped on a drink and closed her eyes in the snaps while making the most of the nice weather.

Captioning her duo of snaps, she penned: "We haven't had much sun

so you gotta soak it up when / where you can. Ideally on @talorgardenfurniture. Giving me all the *Love Island* villa vibes."

But when the pics were published on the website of the hate-filled *Daily Mail*, trolls flocked the comments section to shower Meg with lust-crazed FILTH.

One London-based reader said: "She always looks keen for a pumping."

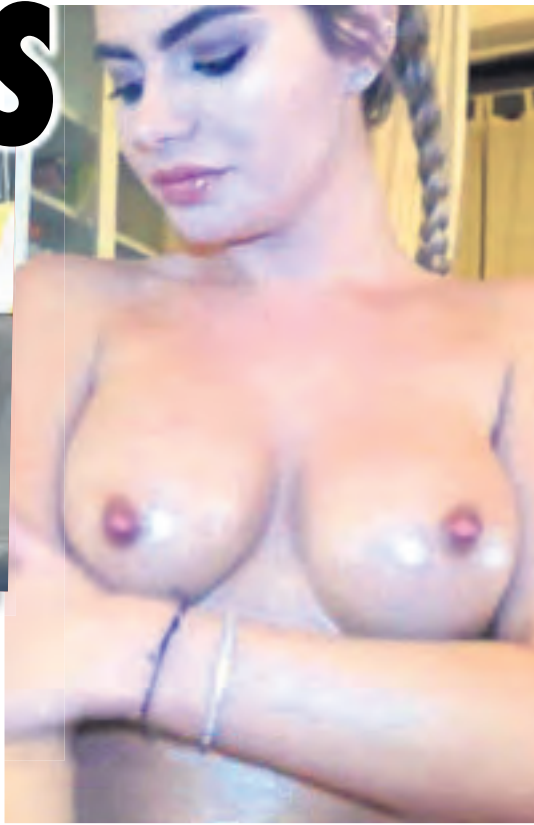

We assume "pumping" means

sexual intercourse, suggesting that Megan enjoys spreading her legs and parting her moist labia to encourage an erect penis to plunge into her meaty wetness.

Another reader commented "ATM" a reference to a vile and unhygienic sex act in which a woman fellates a man after he has been anally penetrating her.

The act is popular in Bulgarian pornographic films.

A pal of Megan said: "I have no idea if she likes this 'ATM' of which you speak and I have absolutely no intention of asking her such a thing, quite frankly."

## Beaches shut as mad cows attack tourists

LIFEGUARDS closed beaches after sun worshippers were attacked by a herd of COWS!

The island of Corsica has over 15,000 cows and tourists returning to its famed beaches are now fighting over their spots of sand with the bovine horde.

One man ended up in hospital after being gored in the neck on a beach in Lotu, another herd of cows chased tourists down a street and a 70-year-old woman in the mountain village of Lozzi was flown to hospital with a "severe leg wound" after being attacked while hanging out her laundry.

Lozzi mayor Francois Acquaviva said: "If this goes on, there will be deaths."

In the southern part of the island near Ajaccio, beaches were closed after cattle were caught damaging cars, private property and rampaging through picnics.

**THERE is a "day" for every day of the year, you know.**

Not just the proper ones like Christmas Day and Easter Sunday, there are loads of so-called "awareness" days for every cause or disorder going, and promo days for everything from cheese to rivets.

And today, as it happens, is Kiss and Make Up Day.

### Lovely

The details of whoever invented it or why are lost in the mists of time. But it gives us a VERY good excuse to print loads of photos of lovely ladies kissing each other.

Some of them even with their big busters out.

OK, so it's probably not what the founders of Kiss and Make Up Day had in mind but, frankly, who cares?

EVERYONE knows about Live Aid, but few seem to know how Ethiopia ended up in such a starving, violent mess in the first place.

Ultimately it was down to one man and his followers, all them dedicated but deluded fans of the Soviet Union.

Haile Mariam Mengistu was a popular army officer installed as ruler of Ethiopia following the country's 1974 revolution.

He remained in power for the next 17 years, but his attempt to mould the country into a Soviet-style socialist paradise plunged it into a brutal reign of terror instead.

Ethiopia's government-sanctioned campaign of political repression resulted in an estimated 150,000 deaths, and Mengistu became known as the Butcher of Addis Ababa for it.

Starvation then killed hundreds of thousands and would lead to an infamous BBC documentary that itself sparked Bob Geldof to form Band Aid and, later, Live Aid.

Almost 15 years after his 1991 flight into exile, Menitsu was tried in absentia and found guilty of genocide.

To this day, though, he remains holed up in a walled compound in Zimbabwe, reportedly spending his days in a haze of alcohol.

But the legacy of his long and bloody rule was to destabilise the Horn of Africa and reshape the borders of its countries through the armed rebel groups that worked to unseat him...

# The man who starved Ethiopia

**BLOODY REIGN:** Yet sick Mengistu is still alive in exile

**SINCE 1916, Ethiopia had been under the control of Emperor Haile Selassie, who styled himself as a god on earth and doled out favours and resources to a select group of "nobles".**

For generations before him, however, the country had been plagued by periodic droughts, and its arable farming land was a lone, precious resource.

By **KOURTNEY KENNEDY**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Haile Mariam Mengistu was born in 1937 and by the time of his childhood, nearly all the land in Ethiopia was owned by nobles.

## Slavery

Peasants toiled their lives away on the landowners' estates in near-slavery conditions.

Then, in 1972, drought and

famine struck and an estimated 150,000 people died.

The catastrophe was covered up by the Selassie government, which was also suspected of withholding emergency food supplies in efforts to quash anti-government rebels.

Outraged at this, many young Ethiopians began to take a dangerous shift to the left, and Mengistu was among them.

The subsequent overthrow of the Selassie government was a popular uprising until November of 1974, when 60 members of the imperial government were executed.

From that point on, Mengistu controlled Ethiopia with fear, with any anti-government sentiment deemed to be punishable by prison or death.

Newly allied with the Soviet Union, he began implementing a sweeping reform program carried out under Marxist-Leninist principles.

The estates of the landowning class were seized, and the land was redistributed to peasants.

All major industries were nationalised, and the country's college or foreign-educated management class were stripped of their perks and property.

In some cases, they were jailed or died in custody, while others fled the country for good.

Mengistu seized power more firmly in February of 1977, when

he became commander in chief of the Ethiopian armed forces.

Two months later, he spoke at a rally and promised that all of the enemies of Ethiopia's historic revolution would be brought to justice.

He smashed bottles that he claimed were filled with blood to emphasise his point.

The Ethiopian Red Terror of 1977-78 began with that speech, and hundreds of suspected enemies of the regime were arrested, detained without trial, tortured, and even killed.

## Punish

The victims were university students and bureaucrats who had voiced dissatisfaction with Mengistu's Soviet-style revolution.

Some elements of the Red Terror were even borrowed from Mao Tse-tung's Cultural Revolution in China that had begun a decade earlier, to find, punish, and reverse what was deemed "wrong" thought.

Estimates place the number of Red Terror deaths as high as half a million.

And yet the political killings continued. "In the mid-1980s it was not uncommon to see students, suspected government critics or rebel sympathisers hanging from lampposts each morning," wrote

## THE WORLD'S DEADLIEST DICTATORS

Jonathan Clayton in *The Times*.

"Ordinary people were too terrified to talk to Western reporters. Other people were executed in the notorious state prison on the edge of the capital, Addis Ababa.

Families had to pay a tax known as 'the wasted bullet' to obtain the bodies of their loved ones.

"At the height of his

power, Mengistu himself frequently garrotted or shot dead opponents, saying that he was leading by example."

## Starvation

Once again, though, mass famine would alter the political landscape of Ethiopia.

In 1983 the policy of agricultural collectivisation had made worse the cycle of drought and starvation the 1974 revolution had

**STIRRED INTO ACTION:** Bob Geldof set up Live Aid to raise funds

**TOPPLED:** Emperor Haile Selassie

once promised to end. This time the famine was well-publicised, thanks to journalist Michael Buerk's BBC documentary, which resulted in a massive outpouring of media attention and sympathy in the West, and Mengistu was forced to accept relief aid from other nations. In 1984 Bob Geldof formed Band Aid, and the world sang *Do They Know It's Christmas?* while sending millions of pounds to the stricken nation.

Yet even despite the help, an estimated one million Ethiopians died between 1983 and 1985. It was the fall of the Berlin Wall in 1989 that hastened the inevitable collapse of Mengistu's regime.

Less than two years later, Soviet-backed regimes elsewhere had collapsed, and then the Soviet Union itself.

Most fatally, the flow of Soviet roubles that had kept the Mengistu government in power dried up.

Rebel militias began winning significant victories. Finally, in 1991, the United States brokered an agreement between Mengistu and the rebels.

The dictator was to

resign from office and leave the country, and in exchange the capital city of Addis Ababa would not be targeted and widespread bloodshed would be averted.

Mengistu was to flee Ethiopia on May 21, 1991 and was given refuge by the then President of Zimbabwe, Robert Mugabe.

The dictator and his family, which included five children, settled into a villa near Harare, Zimbabwe's capital.

### Power

The new Ethiopian government launched an inquiry into the Red Terror era soon after taking power.

Mengistu was tried in absentia for genocide, along with 73 other members of his evil government.

Only then were the actual details of the death of the man whom Mengistu had himself overthrown, Emperor Selassie, finally revealed.

He had ordered the emperor's death, and the 83-year-old monarch was smothered by a pillow, and then buried under a bathroom floor in one of his palaces.

Mengistu's trial began in 1994 and included eight thousand pages of charges and evidence

**BIG INFLUENCE:** Michael Buerk's BBC documentary stirred the country

linking him to over two thousand specific deaths.

The Ethiopian High Court found him guilty on December 12, 2006,

but that was where his "punishment" ended.

Because Zimbabwe refuses to comply with an extradition order, Mengistu, now 84,

remains safely protected at his home in Harare, where he is fully fed, watered, and alive...

Unlike so many of his former countrymen.

# SEX PERV GETS NORA BATTY-D

**MOP BOP:** Palacio (above) got it just like Compo (right)

## Fuming woman attacks sick creep with A MOP

**A PERVERT** furiously masturbating outside a chemist's shop got an old-fashioned Yorkshire punishment when a woman attacked him with a MOP!

After spotting filthy Giraldo Palacio with his pants down and his dick in his hand, the furious mum did not hesitate.

She channelled her inner Nora Batty, ran into the store, grabbed a mop and twatted Palacio as he neared the vinegar stroke.

By SUZIE SHELTON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The drama unfolded outside a branch of Walgreens chemist in Miami Beach, Florida.

### Disgusting

Miami Beach cops on patrol saw Palacio cowering on the ground and a woman standing over him, wielding a mop and shouting "You are disgusting".

The woman told the officers that Palacio had been following her for several blocks while openly masturbating.

As he was arrested, Palacio shouted to one of the officers, "I love you baby, you are my boyfriend".

Palacio, 55, whose

was listed as homeless on the police report, was arrested for lewd and lascivious exhibition.

The woman did not face any charges despite her alleged assault on the man.

For philistines, Nora Batty, played by Kathy Staff, was the iron-willed Yorkshirewoman who regularly twatted scruffy Compo with a mop in gentle TV comedy *Last of the Summer Wine*.

A police source said: "I loved your crazy *Last of the Summer Wine*. This was just like that, with this lady acting just like your crazy Nora Batty."

# JUSTIN DUNN'S ROOM 101

**WHAT'S ANNOYING HIM THIS WEEK?**

**Almost everything worked during the pandemic... apart from my local GP**

**IT'S not particularly remarkable when the bin gets emptied.**

The roar of the engine, the mechanical whine, the wheeze of the hydraulics, the awkward squeak of breaks.

Clump, thunk, dunk. And then they're off again.

It's the same at the supermarket.

Every time you pop to the shop there is indeed food and drink available up and down the aisles, despite what the Guardian, also on sale, tries to tell you otherwise.

There's fresh bread, for starters, courtesy of a baker either in-house or not far away.

And fresh eggs which, with the absence of hens clucking up and down between the fridge cabinets, means someone outside must have supplied them.

Bacon, too, thanks to whichever hard-working pig farmer is rearing and then flogging their porkers into the food chain.

## Fixing

Alongside the perfect ingredients for that all-important breakfast banjo, you can pick up a copy of whichever newly-printed-overnight newspaper floats your boat.

Last time I looked there were still about a dozen to choose from, alongside dozens of magazines about everything from puzzles and crosswords to high-end science or medicine to railways or angling or boats or... everything.

All of them involving loads of reporters, photographers, editors, accountants, printers, advertising staff and delivery drivers making sure they get onto those newsagents' shelves up and down the country every single day.

Step outside the supermarket and you'll see cars in the car park, all serviced and maintained by guys and girls in overalls who you can find fixing motors seven days a week.

The cars will mostly contain tanks of petrol or diesel that didn't magically appear inside them. It's in there because someone in a big road tanker transported it to the garage for you to buy.

And it's hard to be bored because

there is so much entertainment to enjoy, whether it's Netflix or live footy or the latest blockbuster.

All thanks to the creative industries toiling away as ever.

Even the soap operas rumbled on regardless. Virus? What virus?

All of these humdrum things quietly going on around us 24/7 and we mostly hardly even notice.

They're just there.

Carrying on relentlessly, like a ticking clock.

And they are always there because someone, somewhere, who might very well live next door to you, gets up every sodding day to do their job to get it to you.

Despite the plague hanging over us all, the post has continued to be delivered. So have babies.

So have facemasks and cartons of orange juice and multipacks of crisps.

And plumbers and kitchen fitters and roofers have carried on carrying on.

## Flak

But have you tried visiting your doctor's surgery lately?

I have... and it's nigh-on bloody impossible.

The ONE service we've ALL either needed, or hoped not to need, throughout the last 18 months has been absent without leave.

There are going to be all kinds of inquiries and reports into this pandemic if and when it's finally under control.

And yes, our woeful government should take the brunt of the flak.

But don't let the GPs get away with it either.

Just when we needed them most, they just weren't there.

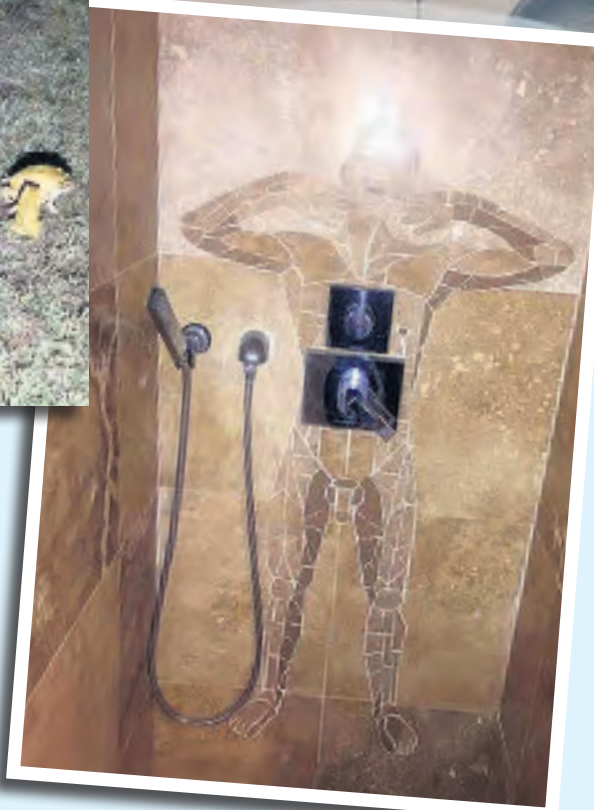

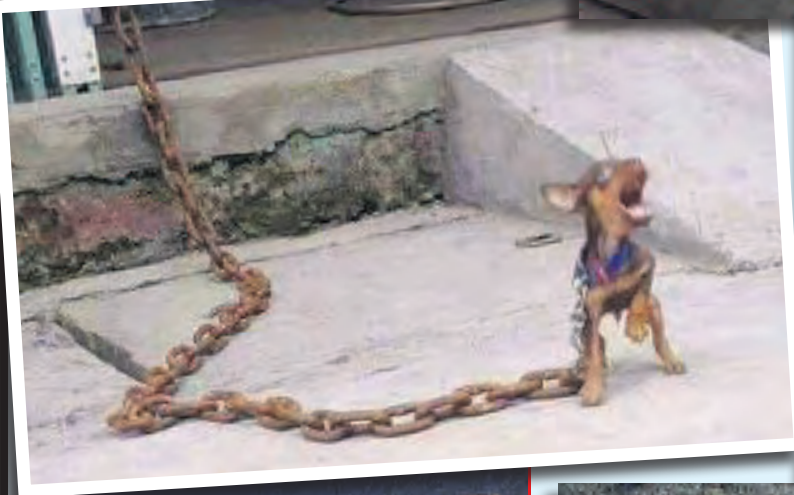

Let's hope their golf handicaps are much healthier though, eh?

A MAN got high on drugs, kissed a colleague on the neck and stripped stark naked... on his first day in a new job.

Carl Gamby injected himself with bath salts and fentanyl in a restroom during his first shift as a clerk at the Econo Lodge motel in Swatara Township, Pennsylvania.

As he stumbled out of the bathroom, Gamby grabbed a female co-worker from behind and kissed her neck.

Then he took off his shirt and repeatedly tried to get the woman to kiss him as she yelled for him to get away from her before fleeing to her car.

When cops arrived, Gamby was naked. The incident was captured on the security cameras at the Econo Lodge.

A Dauphin County jury convicted Gamby (above) of indecent assault, plus indecent exposure and possession of drug paraphernalia.

He was jailed for 11½ to 23 months but is appealing the indecent assault conviction.

SIX people have sued a crematorium for allegedly letting their relatives' bodies ROT without refrigeration in the basement.

The firm, Affordable Cremation Solutions, has now had its funeral licence suspended and has been forced to shut down by authorities after an investigation began in April following several complaints.

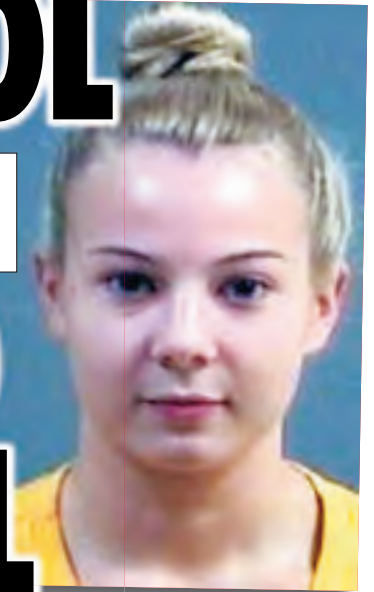

Officials returned twice to the funeral home in June and found 11 bodies unrefrigerated, five of which had been there since mid-May.

They reported a "reddish brown fluid on the floor" that "appeared to flow into the drain" and a strong "odour of decomposition."

The firm, in Lewiston, Maine, is being sued by the families involved for emotional distress.

# LESBIAN SCHOOL VOLLEYBALL COACH LICKED OUT TEEN GIRL

**NICKED:** Miss had sex with teen girl at her home

**A FORMER high school volleyball coach has been arrested for allegedly sexually assaulting a 17-year-old female player on her team.**

Elisabeth Bredemeier, 21, who also hosts a podcast titled Let's Talk Trauma, was reported to police by the victim's family after the alleged assaults that took place off school grounds.

The school where Bredemeier coached the teen said in a statement that she no longer works there, though it wasn't made clear when she left or what the circumstances of her departure were.

They said "Richmond Christian School (RCS) is aware that a former employee has been arrested and charged with crimes against a minor."

## Impact

"The former employee was most recently the school's girls' volleyball coach. She is no longer employed by RCS."

"We understand that the alleged conduct took place off school grounds. Child safety, education and development are paramount here at RCS. As such, we take these developments and their potential impact on our community seriously."

"Since this is an ongoing investigation, please understand we are unable to comment further at this time."

Cops charged the miss with taking indecent

liberties with a child by a custodian and with contributing to the delinquency of a minor.

Cops in Chesterfield, Virginia, acted on a tip-off from a relative of the girl who said they were in a relationship.

It's believed that after watching the girl play volleyball, Bredemeier invited her home and plied her with booze.

According to insiders, Bredemeier parted the girl's long legs and lapped hungrily at her wet teen vagina before encouraging the girl to respond in kind. She then used a so-called "strap-on dildo" to have penetrative sex with the teen. There were "many" sexual contacts, say cops.

Bredemeier's podcast, which is available on Apple, "is meant to be an open space to talk about and listen to people's traumatic experiences".

# THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

ME and my friend are both blonde, 18, and adore having wild sex. We've always wanted to take part in an all-out orgy and be f\*\*ked by loads of men.

Well, the other Saturday night we got our wish after meeting a gang of lads in our local pub.

After a few drinks and a good laugh, they invited us back to one of their houses.

My knickers were soaking with my fanny-juice by the time three of them stripped me and I soon had cocks in every hole.

We both ended up shagging all of them at one time or another over the night.

But since then these blokes have been horrible to us, calling us slags.

We're thinking of moving away. Do you think we should?

CF, Notts

Ashleigh says...

NO, why should you? You like sex - so what? It's not a crime.

Dear Ashleigh,

MY wife and I recently had a baby and we haven't had sex for a while. So I've been shagging her mum instead.

She recently got divorced and has still got a lovely body. She's brilliant in bed and loves giving me blowjobs.

She's more adventurous in bed than my wife. She especially likes to be taken doggy-style while I rub her clit with a vibrator.

She also likes to be shagged while she's tied to the bed with silk scarves. She's also dressed as a kinky nurse.

She started sucking my cock before bent her over a table and started pumping her. We then went upstairs and screwed all afternoon.

I should feel like the happiest man in the world because I'm shagging a nymphomaniac older woman, but I feel so guilty.

If she wasn't my wife's mum I think I'd be okay. In an ideal world, I'd like to have both. What do you think I should do?

MG, Derby

Ashleigh says...

YOUR idea of an ideal world doesn't exist. You have to decide between the two.

## Sorry I bonked pal's fella

Dear Ashleigh,

A FEW weeks ago I went to stay with an old college pal and her fella.

She and her boyfriend met me at the train station and the three of us went off to their new home.

We enjoyed a few drinks before sitting down for a good meal together.

As the night wore on, my pal became more and more tired and ended up falling asleep in her armchair.

I was sitting beside her bloke and I was more than a bit startled when his hand started to tease my thigh.

We left my chum dozing and went to the kitchen, where her bloke started snogging me.

And that was it. No more, or less, than our gang used

to get up to at student parties.

The following morning I was in the shower and feeling horny, when the cubicle door opened and her boyfriend seized me in his arms and gave me a rodding over the bath.

It was fantastic, instant gratification, but although I enjoyed it I can't help but fear what might happen when I next visit.

How can I avoid breaking my pal's heart?

EC, Merseyside

Ashleigh says....

IF you can't trust yourself, don't even think about visiting again but keep in touch by email or letter.

**DO YOU HAVE A SEX PROBLEM?**

# I worry I might keep riding my biker boss

**Dear Ashleigh,**

**I'VE just been offered the chance of a new job in a clothes shop.**

My mate used to work there and she told me the boss was quite a stud and she'd ridden him on quite a few occasions.

She said he's married but is quite indiscreet about his roving eye and is always on the sniff for a fresh conquest.

Since I hadn't had a lot of luck with my husband lately (he's always drunk or watching football), I decided this could be a way of killing two birds with one stone.

So I went for the interview. I wore my sexiest outfit – a short skirt that would ride up high enough to show off my stocking

tops, a pair of high-heels and a low-cut top.

I was pretty excited to meet this sexy guy, and when I did I wasn't disappointed.

He was nearing 50 I'd say but still well fit, and rides a big old Triumph motorbike.

The interview went really well and I caught him ogling my long legs and my cleavage more than a few times.

**Gusset**

Afterwards he insisted on taking me out to lunch at a country pub.

I rode on the back of his powerful bike and by the time we got to the pub, I was already wet in the gusset. Instead of going in the pub, I led him into the garden area at the back where we hid behind some trees.

I pulled down his leather trousers to get a better look at his cock...and it was MASSIVE

– at least nine inches long. I licked it tentatively before wrapping my lips around it and sucking for all I was worth.

He told me I had great legs and not to waste any more time, to get them spread. I bent over a bench and when he entered my dripping fanny I was in absolute heaven.

He kept pumping away until I could take no more and I could barely walk afterwards.

I don't know whether to take the job or not because I know I'll be unfaithful again to my hubby all the time.

If he found out it would destroy him – but I don't think I can resist my older biker man.

Any advice please?

*LK, Bristol*

**Ashleigh says...**

**TAKE the job but try to settle for the occasional shag.**

**Dear Ashleigh,**

I'M a 40-year-old, fairly average-looking man but I'm also the proud owner of a thick 10-inch knob.

When an office night out was organised recently, I was held up and unable to catch the transport to the do.

One of the lads suggested I could take a bath and change at his house, and then his wife would drive me to the party in their car.

His wife is a right corks and after she showed me to the bathroom I undressed and climbed in the water.

After a few minutes there was a knock at the door and she asked if she could bring a towel in for me.

I reluctantly said OK, and tried to hide my privates with a flannel.

When she entered, she was starkers. I was shocked but she just got in the bath and reached under the water to swipe away the flannel and grab my cock,

which as you can imagine jerked to stiffness in pleasurable surprise.

"Wow," she said before wanking my throbbing manhood and then giving me an expert blowjob, sucking hard on the helmet and massaging my tightening ballbag.

She knew what she was doing and stopped just before I came. Then she lowered herself onto my cock, screaming out loud as I stretched her fanny wide.

She came a few times before I finally pulled out and shot my load on her pretty face and huge tits.

Afterwards, she dropped me off at the party. But a couple of days later she rang to say her hubby wants to watch me shagging her.

I'm uneasy about this. I mean, I like the guy, and his wife's a top shag, but it seems weird. What should I do?

*HR, email*

**Dear Ashleigh,**

I'M a student and, as you can imagine, money is tight, so to save on the rent, I've been shagging my fit older landlord.

I knew from the start that he fancied me as he often complimented me on my figure and said: "Blondes with big tits are just my type."

He's a great shag and I've really been enjoying the sex. Now he's getting kinky and I'm worried I like it too much.

A couple of weeks ago he asked to tie me up, gagged me and spanked me before he spunked all over my back.

And the last time we were together he asked to tie me up again so he could take me up the arse.

It was some of the best sex I have ever had and I have never had more orgasms before.

But I am worried that when it comes to vanilla sex with lads my own age I won't enjoy it anymore because I am hooked on being kinky with my older landlord.

Am I right to worry?  
*FT, north London*

#MY SE

...WITH  
**CHRISTINA JOLIE**

FROM EGHAM,  
SURREY

**MY very favourite sexual fantasy at the moment is thinking about my fella shagging another girl.**

I'm not quite sure why! I'm certainly capable of being jealous. But if I gave my express permission and got to watch, I think it would be very, very horny.

### Cum

I make myself cum by thinking of us having a threesome with a hot woman who has big boobs and a peachy bum.

Us two girls would get it on first while my bloke watched.

His cock would get really hard seeing us caressing each other's curves and licking each other's nipples.

We'd both give him head. I know he'd be so turned on by two girls sucking his cock at the same time!

I'd love to see him penetrate her and then stick his dick in my mouth to suck. Then he would take turns penetrating us both.

Us girls could be stacked on top of one another.

You know, I need to make this happen soon!

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

TRAVEL SICK: Jos Buttler

## Buttler a big doubt for Ashes marathon

### CRICKET

JOSS Buttler is the first topline England player to say he may not go on this winter's Ashes tour.

The Three Lions wicket-keeper is worried about being away from his family for around four months.

If Covid restrictions down under mean they cannot travel with the England team, Buttler may have to step away.

He said: "I've sacrificed a lot for cricket and my wife and family have sacrificed a lot."

"You have to be open to saying no."

"It would be disappointing if some players feel like they can't do it, but we're in a world at the moment where that is a possibility."

The England players don't know if their families will be allowed to visit them at any point on the tour.

Buttler understands why that's the case but admits it will make life tough for the players.

He added: "Covid is incredibly challenging for everyone and Australia has a very strict policy in how they've tried to deal with it."

### Track

"Until we get more information about what the tour might look like, it's impossible to know what decision you're making."

Before then, Joe Root's men have to get back on track in their series against India.

England went 1-0 down at Lord's after some poor batting.

But it's the bowling attack that looks weak for the third Test that starts at Headingley today.

Mark Wood is the latest seamer on the sidelines after hurting his shoulder diving to save one run at Lord's.

He joins Jofra Archer, Stuart Broad, Olly Stone, Chris Woakes and Ben Stokes on the sidelines.

Somerset's Craig Overton or Lancashire paceman Saqib Mahmood are now likely to play.

Woakes is back in second XI action for Warwickshire and may be back for the fourth match at The Oval.

# TRAORE RED HOT TO TOTT

## £40m Wolves wing ace up for reunion with old gaffer

**TOTTENHAM are leading the chase for wantaway Wolves forward Adama Traore.**

Former Molineux gaffer Nuno Espirito Santo is keen on bringing the Spain international to London — even if Harry Kane stays.

Traore has two years left on his deal with the Midlands but has reportedly made it clear that he won't be penning a new contract.

It means Wolves will have to sell this summer to get the best possible price before the 25-year-old heads towards his final 12 months with the club.

Traore has been linked with a move to Liverpool but it looks like Spurs are heading the way now.

They are prepared to pay £40m for the winger and could loan him for

By PAUL THOMAS

the rest of this campaign with a view to that permanent move.

The link will only fuel speculation that Kane is about to leave for Manchester City in this window.

Spurs director of football Fabio Paratici needs to move fast to secure Traore before the transfer deadline a week today.

Santo is keen on Traore to use him as a wing-back with Kane and Son going through the middle.

He used that 3-5-2 formation at Wolves with plenty of success.

It was telling that Traore played a blinder against Tottenham at the weekend but couldn't stop Wolves crashing to a defeat.

One man who could be leaving White Hart Lane this week is

Tanguy Ndombele. The 24-year-old has been missing since Nuno took over and didn't feature at all during pre-season.

The midfielder is thought to have asked for a move with Barcelona and Real Madrid being linked by Spanish newspapers.

If he wants to stay in the Premier League, Everton boss Rafa Benitez is known to be an admirer.

Lyon want Ndombele too and would be interested in a swap deal involving their own midfielder Houssem Aouar.

The 23-year-old has been on Spurs' radar for a while but they value him at around £30m while the Londoners want £50m for Ndombele.

It seems unlikely that the skint Spanish sides will be able to come up with that sort of cash so

Tottenham will have to lower their demands to get his £200,000 wages off their weekly bill.

Spurs are the team making most headlines as we head into the final days of the window.

One outlandish report suggests that Cristiano Ronaldo may be on his way to the club.

It seems highly unlikely that Daniel Levy would splash out anything like the £500,000 a week the Juventus ace would demand.

Meanwhile, CRYSTAL PALACE are closing in on a deal for Arsenal striker Eddie Nketiah.

Eagles boss — and Gunners legend — Patrick Vieira is keen on the 22-year-old who is in the final year of his deal at the Emirates.

With time running out in this window, Arsenal have slapped a

# WEEK OF THE TRANSFER WINDOW

**SWAPPING SIDES:** Traore could be in a Tottenham shirt soon

**EAGLES FLYER:** Nketiah

£20m price tag on Nketiah and have turned down a couple of offers this week.

Palace would like to pay around half that figure and the player is keen to leave after pulling out of contract talks.

ARSENAL would like to get rid of Luca Torreira though with Lazio and Fiorentina on his trail.

The midfielder was loaned out to Atletico Madrid last season and was a key man as they won the Spanish title.

Despite the Gunners' woes, it seems boss Mikel Arteta sees no future for the 25-year-old Uruguayan international.

Eintracht Frankfurt are thought to have lodged a bid too but Torreira wants to return to Serie A where he was a success with Sampdoria before

his move to London. Arsenal want at least £15m for a permanent deal having spent £25m on him three years ago.

BRIGHTON are hoping to sign striker Darwin Nunez from Benfica before the window closes.

The Seagulls have been in talks with the Portuguese giants for a couple of weeks over the Uruguay international.

The fee is thought to be around £30m as Brighton invest some of the £50m they got from Arsenal for Ben White.

He scored 14 goals and created 12 assists in his first season after moving from Almeria in Spain.

Albion's offers so far have been in the £20m region with Benfica holding out for more with the clock ticking on this window.

## City make final £150m offer for Kane

**MANCHESTER City are making one final offer for Harry Kane.**

Tottenham have held firm so far as bids up to £125m have gone in.

With time running out before the transfer window closes at the end of this month, Pep Guardiola is not giving up hope.

City are willing to pay

By **JOHN ANTHONY**

£150m for the 28-year-old England skipper who has missed portions of the past three seasons with injury.

Insiders say the deal could go either way with the City boss not giving much away.

Guardiola said: "Maybe we buy or maybe we'll not. We still have 10 days in the

transfer market, we're going to see what happens, and it depends on that what decision we are going to take.

"If the team is the same one, I'm more than pleased with the team. I know them really well, they know me really well.

"The group of people are fantastic, the players have incredible quality, so I

cannot complain. Of course the club has an obligation, the duty to look forward, to get better, to feel we can still be there with a tough Premier League. This is what we are going to do."

It looks as though City will be forced to pay every penny of the £160m Spurs chief Daniel Levy wants to get their hands on Kane this summer.
